

Transforming 'Last Mile Logistics' with  
zero emission vehicles

Chris Beattie

# **WEGO COURIERS**

- 1. WEGO – Our aims**
- 2. Last Mile delivery solutions**
- 3. Future developments**

# WEGO – Our Aims

- > **To reduce pollution**
- > **To reduce congestion**
- > **Provide delivery solutions which help to make the built environment healthier places**

Chris Beattie: Transforming 'Last Mile Logistics' with zero emission vehicles

# Last Mile delivery solutions

- > Consolidate / combine
- > Replace / review
- > Community parcel hubs

Chris Beattie: Transforming 'Last Mile Logistics' with zero emission vehicles

## WEGO Community Parcel Hubs

Your parcel delivered at your convenience - where you want it, when you want it

### Proposed Urban Hubs:

-  Joint Service Centre or Leisure Centre
-  Retail Outlet to Support the High Street
-  Business or Home address
-  Locker Boxes at Transport Interchange Points - Park & Ride, train station, tram stops

Chris Beattie: Transforming 'Last Mile Logistics' with zero emission vehicles

# Future developments

- > Vehicle innovation
- > City & urban design
- > Autonomous network
